PRODUCT DATA SHEET

Fuji home office workstation 1000mm x 600mm with folding legs – Beech with silver frame

FDK610SB

If you're working from home with limited space, then the Fuji folding desk may be the perfect choice for your home office, bedroom, den or study room. The compact design has a beech top with metal legs, and the flat-fold mechanism makes it easy to store out of the way when not in use and just as fast to assemble when you need to get on with your work again. It's your all in one solution for everyday home working needs.

PRODUCT FEATURES

- Workstation which can be folded and stored out of the way when not in use
- Smart flat-fold structure which is easy to assemble with no tools required
- Available in 3 desk widths to suit all workspaces
- Home office workstation designed to maximise the space in any room
- Create a productive environment while shutting out the many distractions that home comforts can bring
- Transform your space - however big or small - into the ideal home office
